ABOUT MREC (A)

Malla Reddy Engineering College (Autonomous), Secunderabad is the flagship Institution that was established in the year 2002 by founder Chairman, CMR Education Society, Sri Ch. Malla Reddy, M.P., with the approval of AICTE and affiliated to JNTU Hyd. The College is situated in the serene, lush green atmosphere on the Kompally - Bahadurpally road, opposite to T.S. Forest Academy. The college offers B.Tech courses in Civil, EEE, Mechanical, ECE, CSE and Mining. It also offers 7 M.Tech courses and MBA. The college is an UGC autonomous institution and affiliated to the JNTUH, accredited 2nd time by NACC with 'A' grade & NBA both for UG & PG and recipient of World Bank assistance under TEQIP II S.C.1.1. The institute has quality infrastructure and well equipped laboratories. It frequently organizes National & International Conferences, Faculty Development Programmes, Workshops and Seminars on Advanced Technical topics for the benefit of faculty and students.

Dr.S.Sudhakara Reddy is the Principal of MREC (Autonomous). He has rich teaching and industrial experience of almost three decades.

Highlights of the MREC (A) are

- Excellent Research Centre with Latest Infrastructure
- Wi-Fi enabled campus
- Pre Placement Training
- Placements in TOP-Notch Companies
- Faculty with Industry/Research experience
- Technical case studies, online assignments & internal exams
- Guest lectures by experts from Industry
- Well Furnished hostels
- Indoor and Outdoor Games

ABOUT MINING ENGINEERING DEPARTMENT

The Department of Mining Engineering has been established in the year 2013. The Department has good infrastructure facilities and is equipped with full fledged laboratories like MP, RM, MEE, Survey etc. to fulfill the curriculum needs. These labs focus on the development of mine design & planning, Mine ventilation techniques etc and provide scope for research work. The Department is having good number of qualified faculty. The Department has its own library and computing facilities to carry out various purposes like project works, seminars, workshops, software simulation etc.

ABOUT THE CONFERENCE

This National Conference aims to provide a platform for disseminating the knowledge related to recent innovations in research taking place in and around the nation in various specialized areas of Mining engineering such as Rock Mechanics, Strata control technologies, Mine Ventilation, Mineral Processing, Mine Safety and Environment etc. The deliberations of the conference will help the Faculty, Researchers, Students and Industry to continue their research efforts focusing on the need of the hour.

CONFERENCE TOPICS

- Strata control technologies
- Slope stability analysis in overburden dumps
- Utilization & disposal of fly ash in filling mine voids
- Coal bed Methane
- Numerical simulation of coal gasification
- Environmental impacts of coal combustion residues
- Study on waste filling methods & technology
- Rock mechanics design in mining & tunneling
- Environmental impact of opencast coal mining
- A review on existing o/c coal mining methods in India.
- Numerical modelling in designing of mines
- Characterization of land contaminated by past heavy metal mining using geostatistical methods.
- Study of fragmentation in opencast mines
- Socio-cultural impact of mines
- Performance assessment techniques of mining machinery
- Application of GIS in mines
- Sustainable Environmental Management in Mines

Note: This theme list is not exhaustive and papers on any other theme appropriate to the conference are also welcome.

FORMAT & GUIDELINES FOR PAPER SUBMISSION

This Papers are to be submitted in the form of IEEE two column format. All selected papers will be published in conference proceedings along with ISBN: No.

To download paper template visit www.mrec.ac.in and papers may be sent through email minncitme2k17@mrec.ac.in.

REGISTRATION FEE

Academia and Industry Participants	Rs. 1000/-
Research Scholars & Students	Rs. 750/-

Registration fee includes kit and Working Lunch.

The registration fee is payable by Demand Draft (DD) in favor of PRINCIPAL, MREC payable at Hyderabad and send to HOD-Mining Engg, Malla Reddy Engineering College (Autonomous), Maisammaguda, Dhulapally, Secunderabad – 500100.

NOTE:

Participants are requested to mail the scanned copies of filled in application and DD to minncitme2k17@mrec.ac.in

Transportation:

Participants can avail the Institute bus facility from different locations of the twin cities.

Important Dates:

Submission of Full Length Paper	24-12-2016
Acceptance of Papers	31-12-2016
Camera Ready Copy	07-01-2017
