

**MALLA REDDY ENGINEERING COLLEGE
(AUTONOMOUS)**

Maisammaguda, Dhulapally, (Post via Kompally), Secunderabad – 500100
DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING
BOS- Minutes of Meeting

Dated: 27-07-2016

The Following are Reviewed and suggested to implement from this Academic Year onwards

1. Reviewed Both B.Tech and M.Tech course structures.
2. Suggested to re write the Module wise course outcomes for each subject.
3. Professional Electives need to be organized in a stream based way such that a student cannot miss a subject of his interest.
4. In Basic Simulation Lab Suggested use any Open Source Software like Octave.
5. In Micro Processor and Interfacing lab suggested use any Open source software like MASM/TASM, GNU sim 8085.
6. In Micro Controllers Lab Suggested Open Sources Software like Keil and Flash Magic.
7. In Embedded Systems Lab and Advanced Embedded Systems Lab Suggested Open Sources Software like Keil and Flash Magic.
8. For M.Tech instead of a project work review – I & II, Project work Part-I and II is suggested.
9. Suggested Professional Elective in place of the Open Electives for M.Tech
