

**INTERNET OF THINGS (IOT)
UNVEILED A COMPREHENSIVE GUIDE TO
IOT TECHNOLOGY, PROCESSORS, CLOUD
PLATFORMS, AND REAL-TIME APPLICATIONS**

**Mrs. Katepally Sreevidya
Dr. Vijayalakshmi Chintamaneni
Dr. K. Vasanth Kumar
Dr. Deenababu Mandru
Dr. Athiraja Atheeswaran**

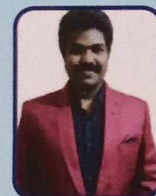

About the Authors

Mrs. Katepally Sreevidya received the B.Tech degree in ECE from JNTUH and M.Tech degree in VLSI System Design from JNTUH. She is currently working as an Asst. Professor in the department of ECE, Malla Reddy College of Engineering, Secunderabad. Her current research interests include VLSI and IOT.

Dr. Vijayalakshmi Chintamaneni Assistant Professor of ECE, St. Peter's Engineering College, Hyderabad, Telangana. She is now a post doctoral fellow at Eudoxia research University, USA. She received her Doctorate from LNCT University, Bhopal. She received her PG degree in VLSI & Embedded Systems from JNTU Kakinada in the year of 2012. She has 10 years of teaching experience from 2008-2023. She received MBA in finance from IGNOU, New Delhi. She is awarded as state level best service person in the field of teaching for the year 2019 by little champs academy of India. She received Dr. B. R. AMBEDKAR RATNA AWARD by Sahara Charitable Trust for the year 2023. She was awarded as Best professor of the year award for the year 2023 from kits crafts foundation, India. She received inspirational women of the year award in 2024.

Dr. K. Vasanth Kumar currently working as Professor & HOD in the Department of CSE(IOT), Malla Reddy Engineering College (A), Hyderabad, Telangana, India. He completed his M. Tech (CSE) from JNTU Kakinada and Ph.D. from Sri Satya Sai University of Technology and Medical Sciences, Sehore, MP. His areas of interest are Software Engineering, Cloud Computing, Artificial Intelligence, Cyber Security, Data Structures.

Dr. Deenababu Mandru received the B.Tech degree in CSE from Andhra University, M.Tech degree in CSE from Acharya Nagarjuna University and PhD in CSE from Krishna University Machilipatnam, Andhra Pradesh. He is currently working as Professor & HOD in the Department of IT & CSIT, Malla Reddy Engineering College, Secunderabad. His current research interests include Data Mining, Machine Learning and IOT.

Dr. Athiraja Atheeswaran IIC Convenor, Professor (CSE), MRCE, Hyderabad. is a distinguished academician and a prominent figure in the field of Computer Science and Engineering. With an extensive background in both academia and industry, Dr. Athiraja brings a wealth of knowledge and experience to his role as a Professor at Malla Reddy College of Engineering in Hyderabad, one of the leading engineering colleges in the region. As an IIC Innovation Ambassador, Dr. Athiraja plays a pivotal role in fostering a culture of innovation and entrepreneurship among students and faculty. His involvement with the Institution's Innovation Council (IIC) aligns with national initiatives to promote innovation in higher education institutions.
