## Department of Mining Engineering

### CIRCULAR

Date: 01/11/2018

All the students are hereby informed that Value Added Course on “**Flame safety lamp handling certificate** on date **04<sup>th</sup> to 11<sup>th</sup> November**, is being organized by the mining engineering department.

Students are advised to register their names to the program coordinator “**Shri SK Sameer Pasha**”, on or before 03/11/2018 and utilize this opportunity to enhance their skills by attending the program.

The detailed schedule of the program will be displayed in the notice board.

  
**Head of the Department**  
Head of the Dept.  
Dept. of Mining

(Post Via Kompally), Sec'bad-500100

Malla Reddy Engineering College (Autonomous) (MREC) is a fulfillment of the distinct vision of its Founder Chairman, **Sri. Ch. Malla Reddy**, the present MLA from Medchal Assembly constituency and Honourable Minister of Labour, Employment, Women and Child Development, Government of Telangana. MREC is one of the premier Engineering Colleges in the State of Telangana, established in the year 2002, approved by AICTE, New Delhi and affiliated to JNTUH, Hyderabad. The Institute is reaccredited by NBA and NAAC with 'A' Grade (II cycle). MREC has been conferred upon the Autonomous status by the University Grants Commission, Government of India in the year 2014. MREC is established with the aim of providing high quality technical education through constant innovation and academic excellence. It offers courses in the disciplines of Civil, EEE, ECE, ME, CSE, IT and Mining Engineering. MREC offers five M.Tech. Programmes and a MBA programme. MREC(A) has an impressive on-campus recruitment record with many leading corporates regularly visiting and recruiting students.

## DEPARTMENT OF MINING ENGINEERING

Mining Engineering was started during 2013 in MREC(A), with an intake of 60 students per batch. So far, three batches of students have passed out and employed in various reputed government and private organizations within and outside the country. A good number of students are perusing higher education in India & abroad. This Department is the biggest in terms of the faculty strength in the entire South India and one of the best in the quality of faculty. The faculty are drawn from Academics, Research, Industry and Central Government Regulatory Bodies and are excellent blend of experienced and youngsters with good number of them with Ph.D. qualification. The faculty have the experience of carrying out research and consultancy works for more than 30 years. The department is continuously striving to improve the quality of education offered to the students by exposing them to various additional activities like Seminars, Conferences, Workshops, Guest Lectures, Industrial Visits, Industrial Training, On-line training programmes, Short-term courses in the mining and related areas, etc.

## ORGANIZING COMMITTEE

### Chief Patron

**Shri. Ch. Malla Reddy, M.L.A.**  
Honorable Minister of Labor, Employment,  
Women and Child Development, Government of T.S  
**Founder Chairman, MRGI**

### Patrons

**Shri.Ch. Mahender Reddy**, Secretary, MRGI  
**Dr. Ch. Bhadra Reddy**, President, MRGI  
**Shri P.Praveen Reddy**, Director, MRGI

### Chairman

**Dr. S. Sudhakara Reddy**, Principal, MREC (A)

## ADVISORY COMMITTEE

- Shri Shyam Mishra , DMS, Hyderabad Region-I
- Shri Mohammad Niyazi, DMS, Hyderabad Region-II
- Shri B.R.V. Susheel Kumar, DMG, TS, Chairman, MEAI Hyderabad Chapter
- Shri S.V.S.S. Ramalingeswarudu, GM (HRD), SCCL
- Dr. R. Markandeya, Principal JNTUH-Manthani
- Shri K.J. Amaranth, Rtd CMG, SCCL
- Dr. Gopal Naik, HOD, Civil Engineering OU College of Engineering, Hyderabad
- Dr. I. Srinivas, HOD Min.E, Kakatiya University

## CONVENER

**Shri. Narasimha reddy**, HoD, Min.E, MREC (A)

## COORDINATOR

**Shri.SK. Sameer Pasha**, Asst Prof., Min.E, MREC (A)

## Members

**Shri.D. Chandraekhar**, Professor  
**Dr. K.V. Shankar**, Professor  
**Shri.N.S.R. Krishna Prasad**, Professor  
**Shri.SK. Sameer Pasha**, Asst.Prof  
**Shri.M.Vishnu Teja**, Asst.Prof  
**Shri.P.Shashikanth**, Asst.Prof  
**Shri.G. Harish**, Asst.Prof

**ELIGIBILITY**

IV Year Students of Mining Engineering

**Objectives of the Programme:**

- To imbibe the skills and competencies required to achieve goals directed by values.
- To maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities.
- To develop commitment and ethical approach towards work, and instill a sense of responsibility towards the institution.
- To enhance communication and soft skills of the faculty by introducing innovative teaching methodologies and developing an interpersonal connection with students.

**Topics to be covered:**

- Mine Air composition
- Occurrence of Methane & its Explosion
- Flame Safety Lamp
- Types of flame and their Characteristics
- Gas Testing with flame Safety Lamp
- Other uses of flame Safety Lamp
- MSA D6 Methanometer

**Test and Certificate:**

A test will be conducted at the end of the program and the certificates shall be issued to those participants

**OUTCOME OF THE PROGRAM**

The Students will acquire knowledge on

- Mine Air composition
- Occurrence of Methane & its Explosion
- Flame Safety Lamp
- Types of flame and their Characteristics
- Gas Testing with flame Safety Lamp
- Other uses of flame Safety Lamp
- MSA D6 Methanometer

**Value Added Course**

Gas Testing Certificate Examination is conducted to examine the competency of the candidates to test for the presence of inflammable gas. As per coal mines regulations no person is admitted as candidate at any examination for manager's or an overman's certificate unless he has obtained a gas testing certificate. Hence it is of primary importance for mining engineering practitioners and degree or diploma holders to obtain the gas testing certificate as early as possible. The key theme of the course, flame safety lamp & gas testing has been elaborately dealt with.

**RESOURCE PERSONS**

- Shri N. Sri Chandrabas, Professor, Min.E, MREC (A)
- Shri N.S.R .Krishna Prasad, Professor, Min.E, MREC(A)
- Dr. M. S. Venkataramayya, Prof., Min.E, MREC (A)
- Shri M. Vishnu Teja, Asst. Professor. Min.E, MREC(A)

**SUMMARY REPORT**

Laws are always amended to include in its scope, when ever technology is taking new directions and whenever the societal needs change. Had law been not amended the control and regulation over the workings will not be there, resulting in chaos and lack of safety. Knowing about law is every body's responsibility. It will be very useful to students to know about the relevant laws of mining as they will be using them in their daily life as Mining Engineers. Not only lawyers others who are using the law and are affected by the changes in the law, should be known to the implementers. Tomorrow's mining engineers will have an advantage if they are made aware of the latest of the law. Recently Coal Mines Regulations have been amended and other laws relevant to mines are in the process of change. In these regards it is felt necessary to updae the knowledge of the safety changes and amendments in mining legislation, keeping in the view a one week workshop from 4<sup>th</sup> to 9<sup>th</sup> November was arranges{ to augment the regular teaching at Malla Roddy Engineering College (A). Other teaching faculty from the nearby and group colleges, indusfiy person's form coal and metal mining are invited for participated in this workshop. The list of attendees is enclosed. 80 students in all of which Malla reddy college students of III and IV years, attended in this. Program. The resource persons were Mr. K. J. Amarnath Retired Chief General
