Target Group:

The Workshop addresses various concepts related to engineering principles real life applications and the integration of different concepts. Students will be trained in designing and developing the applications, starting from the basics and implementing the applications. Ultimately, this will change the way students view the technology and what they can do with it.

Registration:

Details	Amount
Fee	free

Candidates can register by sending the Registration form attached to this brochure.

Transportation:

Participants can avail the Institute bus facility from Different locations of the twin cities.

Important Date:

Last Date for submission of Registration form by Post/email: 06th August 2015.

Registration form can be downloaded from:

The MREC:

Malla Reddy Engineering College, Hyderabad, is the flagship Institution that was established in the year 2002 by CMR Education Society under the Chairmanship of Sri Ch. Malla Reddy, M.P., with the approval of AICTE and affiliated to JNTUH. The College is situated in the serene, lush green atmosphere on the Kompally - Bahadurpally road, opposite to A.P. Forest Academy. The college offers B.Tech. Courses in Civil, Mechanical, Mining, EEE, ECE, CSE and IT. It also offers 9 M.Tech courses and MBA. All the courses of B.Tech. have been accredited by NBA. The Institute is also accredited by NAAC with 'A' Grade in 2010. And re-accredited by NAAC with 'A' grade in 2015. The institution achieved autonomous status under JNTUH from 2011 and also conferment of autonomous status by UGC from 2014 for a period of 6 years and Recipient of world bank assistance under TEQIP-II S.C-1.1. The institute has quality infrastructure and well equipped laboratories. It is organizing National level Conferences, Faculty Development Programmes, Workshops and Seminars on Advanced Technical topics for the benefit of faculty and students.

The Department:

The Department of Electronics and Communication Engineering established in the year 2002 and accredited by NBA in the year 2008 and 2014. It is supported by 36 teaching faculty members with M.Tech/M.E. and PhD's. Many of them have experience in academic, industrial and R&D too. The department has sophisticated laboratories to cater the needs of not only curriculum but also for present day needs. The department offers three M.Tech courses like DSCE, VLSI system design and Embedded Systems. The alumni graduated with 95% results and well settled in Multi National Companies. A hand on practical training/internship is provided to students during semester break. The Department has an MOU with many leading companies.

**REPORT ON FIVE DAY WORKSHOP ON
"Python programming for Embedded Systems"**

The department of ECE has organized a two day work shop on "Python programming for Embedded Systems" during 07.08.2015 to 11.08.2015. The department has invited the resource person from G Ravi Kumar ,M/S VEM Technologies Pvt.Ltd.

During the workshop, Introduction to Python programming, its data types, usage and syntax and its importance in embedded applications was explained. They explained about Python software tool, how to installation different libraries.

During workshop, they explained about programming structure, and hands on experience on different applications like Matrix addition, multiplication and signal processing applications and implementation.

The workshop was mainly focused on Python Programming Applications. Around 45 participants benefitted from this workshop. A good feedback was given by the participants. This five day workshop was coordinated by Mrs. C Silpa
