### About the Department:

**The Department of Electrical and Electronics Engineering at MREC has been producing high quality technical manpower needed by industry, R&D organizations, and academic institutions since 2002 with an intake of 60. The Department also offering PG Program EPS The department UG Program was accredited by NBA in 2008 and Re-accredited in 2014.**

### Overview of the Programme:

The primary responsibility of faculty is not only to inspire students towards a higher vision but also create a strong sense of bonding between the institution and the students to nurture a stress-free holistic environment. To enhance the quality of life for the faculty members enabling them to introspect and learn techniques that imbibe ethics & morals in their teaching and help pre-prepare students for active and successful participation in a modern society, producing individuals of high character, probity and honor.

Proposed FDP is helping to imbibe the skills and competencies required to achieve goals directed by values, to maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities and to develop commitment and ethical approach towards work, and instill a sense of responsibility towards the institution. Also to enhance communication and soft skills, by introducing innovative teaching methodologies and developing an inter-personal connection with students. To achieve this goal, Art of Living foundation is conducting this workshop through ATAL.

### Objectives of the Programme:

- To imbibe the skills and competencies required to achieve goals directed by values.
- To maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities.
- To develop commitment and ethical approach towards work, and instill a sense of responsibility towards the institution.
- To enhance communication and soft skills of the faculty by introducing innovative teaching methodologies and developing an interpersonal connection with students.

### Test and Certificate:

### DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Date: 12.10.2020

#### Report of Value Added Course on Carrier Recruitment Training (CRT)

A five days CRT training programme was organized by the department of Electrical and Electronics Engineering and the event was coordinated by Dr. D. Raja Reddy, Assoc. Professor, EEE Department from 5<sup>th</sup> Oct to 10<sup>th</sup> Oct 2020 and 124 students are attended from III and IV years. The resource person of the training programme was Mr. O.SRINIVAS, Asst. Professor,. The quality of life for the students are enhanced by introspect and learn techniques that imbibe ethics and morals to help the students for active and successful participation in a modern society, producing individuals of high character, probity and honor. With the concept of the global village, engineering graduates as well as other graduates are expected to be presentable, display the right attitude, and to be able to blend with the company's corporate image. After the training programme, the students learned the following,

- Preparedness to become suitable to IT Jobs
- Graduates have to enhance their Employable Skills before leaving Educational Institutions.
- To become successful, Students should become very competent to grab the job opportunities.
- Campus Recruitment Process to filter the candidates and choose "The Right Candidates".
- Training on Practical Exposure – working on a Real Project
- Involvement on a Real Time Project – a very important factor to make you different from other Engineering Graduates.
- Aptitude Skills : Training on Mathematical Skills, Reasoning, Puzzles , Analogies - Practice – oriented Training
- Verbal Ability ( English ) – Practicing Exercises
- Soft Skills : Attitude, Positive Thinking, Resume Preparation, Presentation Skills, Communication Skills, Group Discussion Skills and Job Interview Skills
