Department Vision: To be recognized as a management education center producing committed professionals with managerial competencies in an ethical ambience.

About the Institution

Malla Reddy Engineering College (Autonomous) is one of the reputed engineering colleges in Hyderabad, Telangana. MREC (A) is part of Malla Reddy Group of Institutions (MRGI), founded by Sri. Ch. Malla Reddy, currently Hon'ble Minister, Labor and Employment, Factories, Women and Child Welfare and Skill Development, Govt. of Telangana State. The college is situated in Maisammaguda, Gundla pochampally, Medchal (M), and Medchal – Malkajgiri District Telangana 500100.

The college was established in 2002 and is an autonomous institution approved by UGC and affiliated to JNTUH. The college is reaccredited by NAAC with "A" Grade (II Cycle) and was conferred autonomous status by JNTUH in 2011 and by UGC in 2014 for a period of 6 years. Our eligible UG and PG programs received NBA accreditation and some of them received reaccreditation too. The college caters to wide ranging aspirations and goals of student communities by offering new courses in UG courses provided PG course and MBA along with programs in various streams of Engineering and Technology and Management.

The college has world class Infrastructure and well-equipped laboratories in all departments and is skillfully and smartly guided by Dr. A. Ramaswami Reddy, Director/Principal, MREC (A) who have a rich teaching and industrial experience.

About the Department

The MBA program of JNTUH was started in MREC (A) in the year 2007. The MBA department has a vision to achieve excellence and leadership in management education and it intends to become a major learning resources centre in the field of Management studies in the

entire South India. The MBA department is dedicated to build student's personality, which is essential for managerial positions. Stalwarts from both the industry and the academia are constantly providing inputs for the students.

Resource Person Detail:

- ❖ Dr. K. Nagaraju, Assistant Professor, JNTU Anantpur.
- ❖ Dr. V. Purendra Prasad, Associate Professor, AIMS IBS B School.
- ❖ Dr. G. Ravi Sankar Kummeta, Associate Professor, GNIT.

Objectives of the Programme

- Aims at strengthening the understanding of basics of statistics and their use in business management.
- Helps participants in building analytical skills by providing appropriate tools and techniques which they can utilize subsequently in real time.
- Provides preliminary understanding on the concepts of statistical analysis focusing on promoting and harnessing decision-making capabilities of the students.

Topics to be covered

- ❖ Introduction to concepts of leadership and Team management.
- ❖ Leadership attributes.
- ❖ Leadership Behavior.
- ❖ Motivation & Leadership

- ❖ Building Effective Relationship with subordinates and Peers.

Certificate

After successful completion of the course the certificates shall be issued to the participants who successfully completed the assessment.

Outcome of the program

After successful completion of the course, participants may be able to improve their understanding on the basics of leadership and team effectiveness.

29. Virtual teams are characterized by:
- Employees who are given the authority to implement any of their suggested actions
 - Groups of employees who take on the added responsibilities of their former managers
 - Individuals from different work areas who come together to accomplish a task
 - Employees who meet regularly to take corrective actions to problems being experienced
 - Use of computer technology to communicate with individuals at different worksites
30. Virtual teams generally can perform the same functions and do the same things that other teams have traditionally accomplished. Many times, they can even be more efficient at tasks due to the establishment of systems and procedures, and acceptance of these by team members. Before this can happen, however, virtual teams must set the stage for effective interaction through all of the following except:
- Be aware of any pessimists who may exist among them
 - Ensure that the tone of introductory messages facilitates trust
 - Share some personal information about them
 - Assign clear roles for their members
 - Recognize that eagerness and enthusiasm has no impact on team function

DEPARTMENT OF MASTER OF BUSINESS ADMINISTRATION

REPORT
On
FIVE-DAY VALUE-ADDED COURSE
Titled
“LEADERSHIP & TEAM EFFECTIVENESS”

25th April- 29th April, 2022

Our Institution has invited renowned experts from the field for conducting the value-added course titled “Statistics for managerial decision making” for Students. The Five-day course is organized starting with an Introductory Session on the Course and its emphasis in the real world by our principal **Dr. A. Ramaswami Reddy** and Convener **Dr. N. Ramanjaneyulu**. On the Day 01 a session on Introduction to basic tenets of leadership and team building were covered. Day 02 A lecture on leadership traits and their practical applicability were covered during first half and on the second half business cases on the same were discussed. On Day 03,04,05 the concepts of Motivation, groups and teams their practical applicability were discussed with the help of business cases. The sessions were conducted between 25th April 2022 to 29th April 2022 from 9:30 AM- 04:30 PM every day for five days. The resource persons invited for conducting the programme are Dr.Purendra Prasad, Dr.K. Nagaraju and Dr.Ravi Sankar Kummata. The programme was focused on enhancing the statistical capabilities of participants by emphasizing more on business decision making process.
