Sub: Letter of appreciation – Knowledge Sharing Session

Dear Sir,

The Institution of Electronics and Telecommunication Engineers (IETE) is recognized a leading professional society in India which established in the year 1953. Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO). The main focus of IETE is on advancement of Electronics and Telecommunication stream, it organizes Technical Meetings, Conferences, Symposium, Exhibitions and Publishes Research and Technical Journals.

IETE Hyderabad center is conducting Knowledge Sharing Webinar Sessions as part of its activity for benefit of all its members especially targeting student members. Many eminent personalities with subject matter expertise are delivering these lectures to the IETE fraternity with the most current and subject oriented topics.

Dr.B.Suneela has delivered a comprehensive knowledge sharing session on **2nd of April, 2023** with topic **“Massive MIMO Communication for 5G”**. It was really a splendid session and all the participants have benefitted from the session.

Yours Sincerely

Er. Nuli Namassivaya
