AUTHORS PROFILE

Mr. M. Srikanth is working as an Assistant Professor in the Department of Computer Science & Engineering at Malla Reddy Engineering College (Autonomous), Secunderabad, India. He obtained his B.Tech (CSIT) & M.Tech (CS) from JNTUH. Hyderabad, Telangana State, India. He is the Research Scholar in Osmania University, Hyderabad Telangana State, India. He was 15 Years of teaching and research experience in the department of Computer Science and Engineering. He was more than 10 research papers published in a good impact factors of reputed International Journals and International Conferences. He was two Indian Patents, one Australian Patent Published and also published one Book Chapter titled "An Analysis of Importance of Internet of Things". He is active member of various professional bodies. He was area of interest are Artificial Intelligence, Machine Learning, Database Security, Internet of Things, Cloud Computing, Cloud Security and Data Mining.

Mr. P. V. Ramana Murthy is working as Associate Professor in the Department of Computer Science and Engineering at Malla Reddy Engineering College (Autonomous), Secunderabad, India from February 2003 to till date. He was 20 Year of teaching and research experiences filed of Computer Science Engineering and 7 Years of industry experience. He obtained his B.E (Computer) degree from University of PUNE in 1994 and M.Tech (CS) degree from JNTUH, Hyderabad in the year 2005. He is the Research Scholar in Rayalaseema University, Kurnool, A.P. He has published more than 20 research papers in reputed National, International Journal and conferences with good impact factors. He had six Indian Patents and one Australia Patent Published and Book chapter Author for An analysis of importance of Internet of Thinks (IoT) and its applications during year 2022. He was IBM certified Data Scientist Mastery Award for Educators (2017 v2) certificate. His areas of interest include Image Processing, Pattern Recognitions, Internet of Things, Artificial Intelligence, Machine Learning, DBMS, Database Security and Data Mining.

Dr. Pulugu Dileep, Currently working as Professor in the Department of Computer Science and Engineering in Malla Reddy College of Engineering and Technology, Hyderabad. He is having more than 18 years of teaching and research experience. He obtained degrees his B.Tech (CSE) and M.Tech (CSE) from JNTU, Hyderabad, Telagana State, India. His obtained Ph.D degree in Computer Science Engineering from Andhra University, Visakhapatnam, Andhra Pradesh, India. His research area of interest is Artificial Intelligence and Machine Learning, Internet of Things, Big Data Analytics, and Python Programming. He has published more than 30 research papers in both International, National journals and conferences. To his credit, he is having 4 patents published in CSE domain and Two Books Author for Introduction to Problem Solving and Python Programming during year 2021 and Big Data Analytics during year 2022.

Dr. P. Srinivas is working as Professor in the Department of Computer Science & Engineering at Malla Reddy Engineering College (Autonomous), Secunderabad, India. He obtained degrees his B.E (CSE) and M.Tech (CSE) from Osmania University, Hyderabad, Telagana State, India. His obtained Ph.D. degree in Computer Science Engineering from Kalinga University, Naya Raipure, Chattisgharh, India. He was 24 Year of teaching and research experiences filed of Computer Science Engineering. He was more than 30 research papers published in a good impact factors of reputed International Journals and International Conferences, He is active member of various professional bodies He was six Indian Patents Published and 2 Text Books Author for Introduction to Object-Oriented Programming Systems during year 2019 and Introduction to Artificial Intelligence during Year 2022. He was published Two International Book Chapters published by Springer Nature Singapore (Pvt) Ltd during years 2021 and 2022. He was received Faculty Excellence Award during year 2021. He was area of interest are Artificial Intelligence, Machine Learning, Pattern Recognitions, Biometrics, DBMS, Database Security, Internet of Things and Data Mining and Big Data Analytics.
