

AUTHORS PROFILE

Dr.S.Sandhya Rani is working as Associate professor in the Department of Computer Science & Engineering at Malla Reddy Engineering College (Autonomous), Secundrabad India. She Obtained her B.Tech(CSE) from JNTUA, M.Tech(CSE) from ANU, Guntur and she obtained Ph.D(CSE) from JNTU Hyderabad, kukatpally, hyderabad. She was 14 years of teaching , industry and Research experience. She was published morec than 15 papers in National and International journals with Reputation journals with good impact factor in WOS, SCOPUS, IEEE conference and six Indian patents published and also published one Research Book titled " Generation of Random Fields for Image Segmentation System" and one Book Chapter titled "Implementation of Deep Learning Methods for Recognizing Isolated Offline Handwritten". She was Received " "Young Researcher award" and eviwer by INSC year 2020.She is Active member of various professional bodies and Her Area of Interests are Deep Learning, Machine Learning, Networks,Data Mining and computer vision.

Mr. B. Rajarao is working as an **Assistant Professor** in the Department of Computer Science and Engineering, **Malla Reddy Engineering College(Autonomous)**, Secunderabad, Telangana,India. He Obtained his Bachelor degree in B.Tech(IT) and Master's degree in **M.Tech(CSE)** from **JNTU Hyderabad, Telangana State, India.** **He is the research Scholar** from **JNTU Ananthapuram, Andra Pradesh.** He has 08 Years of Teaching and research experience in Computer Science and Engineering. He was more than 10 research papers published in a good impact factors of reputed International Journals and Conferences. He has Three Patent Published and also Published Two Book Chapter. He is active member of various professional bodies. He is an expert in emerging technologies like, Artificial intelligence, Machine Learning, Data Science, Cloud computing, Internet of Things(IOT), Cloud Security, Database Security, Python programming, R programming, Image processing, Datamining, .

Mr. V Jagadish Kumar is working as **Assistant Professor** in the Department of Computer Science and Engineering, **Malla Reddy Engineering College (Autonomous)**, Secunderabad, Telangana, India. He Obtained Master's degree in **M.Tech (CSE)** from **JNTU Kakinada.** He is having 2 Years of Teaching and research experience in Computer Science Engineering. He is expert in emerging technologies like, Artificial intelligence and Machine Learning, Data Science, Python programming, Image processing and Data mining.

Ms. Y. Amrutha is working as an **Assistant Professor** in the Department of Computer Science and Engineering, **Malla Reddy Engineering College(Autonomous)**, Secunderabad, Telangana,India. She Obtained Master's degree in **M.Tech (SE)** from **KITS,Warangal.** She has 01 Years of Teaching and research experience in Computer Science Engineering. She is an expert in emerging technologies like, Artificial intelligence and Machine Learning, Data Science, Python programming.
