Dr.A.Vijayaraj
Mr.Chitakala Hari Krishna | Mr.Malladi Chanti
Prof.Jyoti Prakash Singh | Dr.Raksha Badgaiyan

About the Authors

Dr.A.Vijayaraj is an Associate Professor in the Department of Information Technology, E.M.E Engineering College, 85th Nagar, Kaverisarpalli, Guntur District, TADA, Chavali. He obtained his Bachelor's degree from Bharathidasan University in 1997 and Master of Engineering in CSE from Sathyabama University in 2005. He obtained his Ph.D. from Anna University, Chennai, India. His areas of specialization is Computer Networks and communication, Mobile Computing, Information System, and Knowledge Management. He has 24 years of teaching experience from various Engineering Colleges during tenure he was Associated Prof. He has published 40 papers in SC and Saeed) reputed journals and 23 Papers in International IEEE and Springer conferences and also Published 5 textbooks and 10 papers.

Mr.Chitakala Hari Krishna working as Associate Professor in the Department of Computer Science and Engineering at Blue Krishna Sri Ganga Group of Institutions, Chavali, Guntur District, Andhra Pradesh. He completed MCA under Acharya Nageswara Jagannadha University, Guntur, Andhra Pradesh, awarded Master of Technology in Computer Science under JNTUK, Kakinada. He is in the field of Computer Science and Engineering at Blue Krishna Sri Ganga Group of Institutions, Chavali, Guntur District, Andhra Pradesh. He is teaching profession for more than 10 years. He published 2 research papers in reputed journals. His research area includes Computer Networks, Machine Learning.

Mr.Malladi Chanti received his MCA (Master of Computer Applications) from VVSR PG College, Chavali University in 2011 and M.Tech in Computer Science and Engineering from S.S.J Engineering College, JNTUJH in 2017. He is currently working as an Assistant Professor, Department of Computer Science and Engineering in Malla Reddy Engineering College (Autonomous), Hyderabad, Telangana, India.

Prof.Jyoti Prakash Singh is currently serving as an Assistant Professor in the Department of Computer Science and Engineering. He completed his Bachelor of Technology in Information Technology in 2005 at KEJ, Ghazipur, Uttar Pradesh, and subsequently obtained a Master of Technology in Computer Science and Engineering from UNCT, India. He is presently engaged in research in Computer Science and Engineering at UNCT University, Bhopal, Madhya Pradesh. With over 12 years of experience in teaching and supervising thesis writing engineering institutions. Prof. Singh specializes in several key areas, including Data Science, Artificial Intelligence and Machine Learning, Programming Language Logic, Databases and Data Mining. His extensive academic background and research interests contribute significantly to the advancement of knowledge in these domains.

Dr.Raksha Badgaiyan is a professor in the Department of Computer Science, Vigna Arts, Commerce and Physical Education College, Bolar (C.G.) where she has been since July 2023. She worked as Adhoc Assistant Professor for 3 years in Department of Computer Science of Guru Bilasa Girls College Bilasaur (C.G.) and 3 years in Department of Computer Science of Guru Bilasa Girls College Bilasaur (C.G.) She Received B.Sc. Computer Science in 2006 Guru E.E.E. PG. Science College, Bilasaur (C.G.) She Received B.Sc. Computer Science in 2009. Received M.Phil. Computer Science from Dr. C.V. Ramana University, Kato Bilasaur (C.G.) in Jun 2022. She received Ph.D. Computer Science from Kollaps University, Naya Bilasaur (C.G.) in Jun 2022. Her research interests are data mining and machine learning with application in social impact of computing. In data mining she worked on classification based on different algorithms and clustering based on fuzzy logic. She presented research paper in 10 national and international conference and seminar. She attends many workshop and conference. Her 4 research papers are published in international journal and she also delivered 1 guest lecture.
