

AUTHORS PROFILE

Dr. J. Anitha is working as Professor, in the Department of Computer Science and Engineering, Malla Reddy Engineering College (Autonomous), Secunderabad.,Dist. Medichal, Telagana State, India. She obtained her M.Tech. (CSE) and Ph.D (CSE) from AU, Visakhapatnam, Andhara Pradesh,India. She published several papers in National and International Journals. She is active member of various professional bodies. Her current research is focused on Machine Learning, DBMS, Database Security and Data Mining.

Dr. Idimadakala Nagaraju, working as Professor in the department of Computer Science and Engineering in Malla Reddy College of Engineering and Technology, Hyderabad. He is having more than 24 years of Teaching, Industry and Research experience. He obtained his bachelor's in B.Sc from S V University, Tirupathi, A.P. India. He obtained his masters in MCA from Osmania University, Hyderabad, Telgana State and M. Tech (CSE) from JNTU Kakinada, Andhra Pradesh. He obtained his Ph.D degree in Computer Science from MJPRU, Bareilly, UP, India. His research areas of interests are Cloud Computing, Database Security, Big Data Analytics, Data Science, Block Chain Technology, Ethical Hacking and Cyber Security. He has published more than 10 research papers in International Conferences.

Dr. D. Krishna Madhuri, working as Associate Professor of Computer Science and Engineering Department, Malla Reddy Engineering College(Autonomous). She obtained her Ph.D(CSE) degree from the Sri Satya Sai University (SSSUTMS) Sehore, Madhya Pradesh, India. M.Tech degree in Computer Science and Engineering from Sridevi Women's Engineering , Hyderabad, Telangana, India in 2012 and B.Tech degree in Computer Science and Engineering from Swarnandhra College of Engineering & Technology, Narsapur, Andhra Pradesh, India in 2009. She has published more than 10 Research Papers in reputed National and International Journals and Conferences with very good impact factor. She had three Indian Patents Published. She had over 10 years of Academic Experience in various institutions in India. Her area Research Interest includes Databases, Data warehouse and Data Mining and Big Data Analytics.

Dr. Pulugu Dileep, working as Professor in the Department of Computer Science and Engineering in Malla Reddy College of Engineering and Technology, Hyderabad. He is having more than 18 years of teaching and research experience. He obtained degrees his B.Tech (CSE) and M.Tech (CSE) from JNTU, Hyderabad, Telagana State, India. His obtained Ph.D degree in Computer Science Engineering from Andhra University, Visakhapatnam, Andhra Pradesh, India. His research area of interest is Artificial Intelligence and Machine Learning, Internet of Things, Big Data Analytics, and Python Programming. He has published more than 30 research papers in both International, National journals and conferences. To his credit, he is having 4 patents published in CSE domain and Two Books Author for Introduction to Problem Solving and Python Programming during year 2021 and Big Data Analytics during year 2022.
