AUTHORS PROFILE

Mrs.G.Anitha, Currently working as Assistant Professor in the Department of Computer Science and Engineering(Data Science) in CMR Institute of Technology, Hyderabad. She is having more than 15 years of teaching and research experience. She obtained degrees her B.Tech (CSE) and M.Tech (CSE) from JNTU, Hyderabad, Telangana State, India. Her research area of interest is Artificial Intelligence and Machine Learning, Soft Computing, Big Data Analytics, and Deep Learning. She has published more than 10 research papers in both International, National journals and conferences. To her credit, she is having 2 patents in CSE domain.

Mr.Vazralu Munnangi, Currently working as Associate Professor in the Department of Information Technology in Malla Reddy College of Engineering and Technology, Hyderabad. He is having more than 15 years of teaching and research experience. He obtained degrees his B.Tech (CSIT) From JNTU, Hyderabad and M.Tech (CSE) from JNTU, Kakinada, India. His pursuing Ph.D degree in Computer Science and Engineering from Vellore Institute of Technology, Vellore , Tamilnadu, India. His research area of interest is Machine Learning, Big Data Analytics, and Information security. He has published more than 15 research papers in both International, National journals and conferences. To his credit, he is having 3 patents in CSE domain.

Dr. Pulugu Dileep, Currently working as Professor in the Department of Computer Science and Engineering in Malla Reddy College of Engineering and Technology, Hyderabad. He is having more than 18 years of teaching and research experience. He obtained his B.Tech (CSE) and M.Tech (CSE) from JNTU, Hyderabad, Telangana State, India. He obtained his Ph.D in Computer Science and Systems Engineering which is in the area of Artificial Intelligence and Machine Learning from Andhra University, Andhra Pradesh State, India. His research area of interest is Artificial Intelligence and Machine Learning, Internet of Things, Big Data Analytics, Cryptography and Network Security, Data Mining and Data Warehousing and Python Programming. He has published more than 30 research papers with good impact factors in reputed International, National Journals and International Conferences. He is an active member of various professional bodies. He has received Best Teacher Award for two times. He has attended several National and International Conferences, Seminars, FDP's and organized many Seminars, FDP's and Workshops. To his credit, he is having 6 patents published in CSE domain and Four Books Author for Introduction to Problem Solving and Python Programming, Big Data Analytics, Data Mining and Data Warehousing, Cryptography and Network Security during year 2021 and 2022 and Book Chapter author for Social Network Analysis Theory and Applications in the year 2022.

Dr. P. Srinivas is working as Professor in the Department of Computer Science & Engineering at Malla Reddy Engineering College (Autonomous), Secunderabad, India. He obtained degrees his B.E (CSE) and M.Tech (CSE) from Osmania University, Hyderabad, Telagana State, India. His obtained Ph.D degree in Computer Science Engineering from Kalinga University, Naya Raipure, Chattisgharh, India. He was 24 Year of teaching and research experiences filed of Computer Science Engineering. He was more than 30 research papers published in a good impact factors of reputed International Journals and International Conferences. He is active member of various professional bodies He was 7 Indian Patents Published and 3 Text Books Author for Introduction to Object-Oriented Programming Systems during year 2019, Artificial Intelligence during Year 2022 and Big Data Analytics during year 2022. He was published Two International Book Chapters published by Springer Nature Singapore (Pvt) Ltd during years 2021 and 2022. He was received Faculty Excellence Award during year 2021. He was area of interest are Artificial Intelligence, Machine Learning, Pattern Recognitions, Biometrics, DBMS, Database Security, Internet of Things and Data Mining and Big Data Analytics.
