Authors' Profile

Mr. Om Prakash Singh is working as HoD in the Department of Computer Science and Engineering, Vidya Vihar Institute of Technology Purnea, Bihar affiliated to Bihar Engineering University, Patna, Bihar. He has about 21 years of teaching experience. He received his AMIE degree in Electronics and Communication Engineering from IE India and M. Tech. degree in Information Technology from IIMS Bareilly. He has published 21 research papers in refereed International/National journals and 42 research papers in the proceeding of various International /National seminars/conferences. He has 15 Indian patents, 2 copyrights and 4 design patents in domain of AI, ML, NLP and IOT. He has two book chapters in BOOKES-YP & AITS and seven books Information Security (ISBN: 978-93-5625-627-5), Fundamental of Data Science (ISBN: 978-93-5757-806-0), Genetic Algorithm in Machine Learning (ISBN: 978-93-5625-628-0) and Artificial Intelligence in Healthcare and Medical Science (ISBN: 978-93-5757-372-9), The Art of Intelligent Machines Unleashing the Power of Machine Learning (ISBN: 978-81-19536-15-0), Introduction to R Programming (ISBN: 978-93-5757-548-0) and Intellectual Property Rights (ISBN: 978-93-5757-540-0). He has received best paper awards for his research papers at various International/National seminars and conferences especially in Indian Science Congress and Indian Engineering Congress. His area of research includes Artificial Intelligence, Machine Learning, Natural Language Processing, Data science, Information security and Genetic Algorithm. He is life member of ISC and CSI. He is fellow member of IEI and IIF.

Dr. Nabeena Ameen M.E, Ph.D She obtained her Master's Degree in Computer Applications from Madras University, Chennai in the year 2008. She obtained her Master's Degree in Computer Science and Engineering from Crescent University, Chennai in the year 2017. She obtained Ph.D. degree in the year 2021.She is currently working as Assistant Professor (Sel Gr) in the department of Information technology. She has published papers in the National and International journals, conferences she has also attended various FDP, workshop for career development. Her area of research includes Wireless Sensor Networks, Cloud Computing and Data Science.

I AM B.sunil currently working as assistant professor IN department of computer science and engineering at malla reddy engineering college (A) Hyderabad, I HAVE 8yr's of teaching experience and I AM completed in M.tech(cse) from malla reddy college of engineering and B.tech(cse) vaageshwari college of engineering jntuH , MY area of interest including data base management system, python programming, data mining, distributed system, machine learning, cyber security, computer networks, internet of things(IOT), and I have many more publication in the area of machine learning & IOT & AI Networks.

Devendra Suthar was born in Udaipur, Rajasthan. He completed his B.Tech. in Computer Science and Engineering from University of Rajasthan, Jaipur, Rajasthan in year 2006. At present he is working as an Assistant Professor in Department of Computer Science and Engineering, Aravali Institute of Technical Studies, Udaipur, Rajasthan. He has more than 10 years of teaching experience in the area of Computer Science. He is also working as controller of examination at AITS, Udaipur, Rajasthan. He has published several papers in various national journals/conferences.
