

About the Authors

Dr. Raghunadh Pasunuri working as Associate Professor, CSE AIML Department at Malla Reddy Engineering College, Hyderabad, Telangana, India. He received the B.Tech. degree in Computer Science and Engineering from Vaddadi College of Engineering, affiliated to Jawaharlal Nehru Technological University, Hyderabad in 2005. He obtained the M.Tech. degree in Computer Science & Engineering from Jayaprakash Institute of Technology & Science, affiliated to Jawaharlal Nehru Technological University, Hyderabad in 2009. In 2020, he received the Ph.D. degree in Computer Science from School of Computer & Information Sciences, University of Hyderabad (Hyderabad Central University), Hyderabad, Telangana, India. He has more than 16 years of experience in teaching and research, and worked as Project Fellow in DRDO for 18 months. He has published more than 12 research papers in various International/National journals and reputed Conferences, and 4 patents. His research interests include Machine Learning, Dimensionality Reduction, and Metric Learning & Nearest Neighbor Search.

Dr. J. Rajaram is a Professor in the Department of Computer Science and Engineering, Malla Reddy Engineering College for Women, Meenemoguda, Dabulpally, Kompally, Hyderabad, Telangana, India. He served and held several Academic and Administrative positions Dean Academics, Head of the Department and officer Incharge. He served as the General Chair for International Conferences. He is a Member on Advisory Boards/ Academic Society/ Technical Program Committee Member for National and International Conferences. He received the B.Tech. Degree in Computer Science and Engineering from Jawaharlal Nehru Technological University, Hyderabad, India, in 2006, and the M.Tech. Degree in Computer Science and Engineering from Jawaharlal Nehru Technological University, Hyderabad, India, in 2010. He was awarded Ph.D. Degree in Computer Science and Engineering from SSSUTMS, Bhopal, India, in 2018. He was awarded Post-Doctoral Fellow Degree in Computer Science and Engineering from SRMIST University in 2023. He has published more than 40 Research papers in Reputed Journals and many Conferences in National and International level. He has published Patents in various research areas. He has published many books. He has 17 years teaching experience. His research interests are on AI, ML, Ad-hoc and Sensor Networks, Network Security, Data Science, Machine Learning, Cloud Computing, IoT, Big Data Analytics, Network Modelling and performance analysis.

Dr. K. Ramesh Babu, is currently working as Associate Professor in the Department of Computer Science and Engineering at Vidyia Jyothi Institute of Technology, Hyderabad. He holds M.E. in Computer Science and Engineering from Anna University, Chennai and PhD from Hyderabad Central University (HCU), Hyderabad. He published more than 25 research papers at various National and International Journals. He has more than 20 years of experience in teaching various subjects in Engineering and Technology. His research interest is Network Security and Machine Learning.

Dr. Guvvaladinne Prasanna Kumar is working as a professor in the department of Electronics and Communication Engineering in Malla Reddy Engineering College (Autonomous) Hyderabad, Telangana, India. He has 22 years of teaching experience. He holds a Ph.D. Degree in ECE with specialization in Low Power VLSI from Sri Satya Sai University of Technology and Medical Science, Madhya Pradesh. He has authored and co-authored more than 18 publications. He received 10 different awards. He received 35 NPTEL certificates. He filed 4 patents. He published two book and three book chapters. He can be contacted at email: prasanna4600@gmail.com.

Mr. Veeramreddy Rajasekhari, Assistant Professor, Department of Computer Science Engineering, Malla Reddy Engineering College, Telangana, India. He Pursuing his Ph.D from Anna University, and completed his M.Tech in JNTUK University. He has published 8 journal papers and 3 patents. His research interest includes Machine Learning, image processing, and Deep Learning.

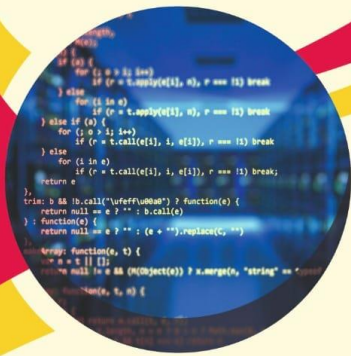

Mr. Kiran Babu Kommu is currently working as an Assistant Professor in CSE (Data Science) department, ACE Engineering College, Amalapur, Hyderabad. He has completed his B.Tech. (CSE) from Acharya Nagarjuna University, Guntur, A.P in 2005 and M.Tech (CSE) from JNTU University Kakinada, Kakinada, A.P in 2011. He has 13 years of teaching experience. His area of research is AI/ML, Data science and Networks. He has published five research papers in national and international journals. He has two patents. He guided undergraduate students in different projects. He has successfully completed Three NPTEL courses. He is also involved in different academic and non-academic activities in the department level and college level. He has attended more than fifteen different programs such as a Faculty Development Program and workshop in national and international level.
