Dear Dr. Mandru,

Re: "Integrative Hybrid Deep Learning for Enhanced Breast Cancer Diagnosis: Leveraging the Wisconsin Breast Cancer Database and the CBIS-DDSM Dataset"

We are delighted to let you know that the above submission, which you co-authored, has been accepted for publication in Scientific Reports.

Please contact the corresponding author if you would like further details on this decision, including any reviewer feedback.

Thank you for choosing Scientific Reports and we look forward to publishing your article.

Kind regards,

Peer Review Advisors
