Dear author,

We have reached decision to accept your research article on Impact of mean fragmentation size on shovel performance by IBM SPSS and Komix Plus

Attached is the PDF of proof of your article. Please mark your corrections clearly in the proof and email the annotated PDF, within 48 hours after it is received by you. If you find it difficult to correct the PDF, mark the corrections and send the scanned copy or you can list your corrections separately by indicating the page and the line numbers where there are corrections and email/fax it to us.

Answer the queries if any marked during copy editing and incorporate your answers/corrections in the proof.

Please note the following:

**A. COLOUR FIGURES**  
Regarding figures, your article has some figures to be printed in colour. In view of printing figures in colour journal has decided that author has to pay part of printing charges at Rs 2000 per page. We will intimate the number of colour pages and amount to be paid after final page setting.

**B. REFERENCES**
