The following suggestions were made by the members of the Board of studies.

1. In the subject Law for Engineers BOS members suggested adding one unit related to arbitration in construction projects and safety measures.
2. Audit course and mandatory courses may be identified with the parent department teaching the course and in the remarks column it may be mentioned as AC/MC. This may be decided in consultation with all other departments concerned.
3. Course code may be fixed with the specific letter identifying the department. eg.: CE, HS etc.
4. Number of lecture for Analytical Subjects may be increased to 3 or 4 minimum in addition to tutorial hours.
5. In place of Structural Analysis Laboratory members suggested to introduce Survey Laboratory II.
6. Entrepreneurship subject with one credit may be allotted internal and external marks in proportion to credits.
7. Environmental Engineering I & II may be combined into one subject and in that slot, Advanced Structural Analysis may be introduced.
8. In surveying syllabus one unit on Total Station may be exclusively taught.
9. UPSC and State Syllabus can be compared with our syllabus and a minimum of 60% may be ensured.

Finally, Dr. R. Prasanna Kumar, Chairman – CE(UG) Board of Studies has expressed his sincere thanks to all the Members of the Board of studies for their active participation and contribution. The meeting concluded at 11:30 PM.
